

The exclusive bridal exhibition *Vivaha 2008* was held at the BMICH on November 14, 15 and 16.

It was an eye-catching event focusing on the younger people and those ready to get married. Associated Newspapers of Ceylon Ltd and *Daily News* was the media sponsor for this event.

Visitors were offered attractive discounts for all necessities of a wedding and it was a

good opportunity to meet with a host of professionals in bridal wear, beauty and hair dressing, gem and jewellery, cosmetics and perfumery, flowers and decor, stationary, food and beverages, photographers, star hotels for wedding and honeymoon packaging and also the choice of meeting banks and financial institutions and many other attractions. We feature some of the attractions from the exhibition today.
